Employee's Training

Overview: Guide for Assessors: An overview of assessing training (7 minutes)

What is this article about?
This topic provides an introduction to assessing training in this learning portal (as a creator or assessor). We discuss the elements within the portal that can be assessed, as well as how to assess those elements.

Why is this article important?
This article is important as it provides a step-by-step introduction to help new assessors make the most of this platform.
